Carol Caldwell Edmonds moved to approve consent agenda, Paul warden Seconds

All voted in favor

Upcoming work:

Two updates that weren't on the Agenda

7:02 Teelah joined

7:10 Teelah gave presentations to CEDAC Cambridge Economic Development and Cambridge Rotary,

Tasks:

Stephen Friedman has not done OpEd yet. Pretty much drafted and changes coming.  
Post the OP ED to local media and FPF

7:15 Is somebody doing the research to figure what ISPs are there?

Val Volunteers to do research on what ISPs  
Val and Teelah will work on FPF on providing ISP service

Val and Teelah will get Stephen's Op Ed.

7:20 Looking ahead:

We had talked about once we have an executive director we would get PR out.  
Board members will promote the new ED in their communities.  
Marketing Committee will distribute to board members.

Discussion

7:25 Charlotte Reber suggested a generic piece about the various types of Internet.

Charlotte will do an article on Free Wifi Access points. And on different service types.

Jane is sending Power Point presentation to everyone.

7:30 Paul warden moves to Adjourn Carol seconded

All voted in favor.
