7:05 pm The Chair welcomed Scott Johnson, the new Board member from Waterville and thanked all the departing Board members, like Teelah Hall and Charlotte Reber, and the soon-to-be former committee chairs, like Sam Lotto, for their leadership. The Chair then recounted

the significant work and accomplishments of the past few years and marked this time as a turning point, noting that the vision of lighting our first fiber feels like it is within reach.

As a means of introduction for the new member, Scott Johnson, the Chair asked members to reflect on why they volunteered for Lamoille FiberNet. Each member recounted a personal or professional struggle resulting from the lack of Internet access in their town or at their homes, and the impact of COVID which amplified the need for affordable reliable service. Reflecting the motivation of many members, John Meyers of Morrisville said, “you couldn’t ignore it anymore.”

- b. Andy Ross – Vice Chair
- c. Mark Schilling – Treasurer
- d. Lisa Birmingham – Clerk

Michael Rooney seconded. All in favor, none opposed; none abstained.

The Chair called for nominations for committee chairs. Lisa noted that the PTF had voted Randy Tomlin to chair at its May 5th meeting. Andy Ross then moved the committee chairs as follows:

Michael Rooney offered that people are welcome to attend committee meetings, like he attends most PTF meetings, but they will be unable to vote. Lisa noted the need for multiple communities on each committee. Scott said he would talk with the Partnership Task Force Chair.

Sam shared that the Cambridge ARPA committee voted to recommend to the Selectboard a \$25k ARPA commitment to LFCUD. One of main reasons was the multiplier offered by the VCBB match. The Cambridge Selectboard is expected to vote on the recommendation on May 16.

7:48 pm Partnership Task Force. Randy Tomlin acknowledged the significant work and contributions of committee members and people like Michael Rooney that attend meetings on a regular basis. After thanking Sam Lotto for his leadership and getting us to this point, Randy recommended executive session to discuss contract terms, unless there was further public comment. Stephen Friedman moved to enter executive session to discuss the state of our negotiations with vendor A regarding a potential contract, the premature disclosure of which would be detrimental to both the CUD and to vendor A, and that in that executive session we should have Andy Ross, Jane Campbell, Scott Johnson, Lisa Birmingham, Paul Warden, Jeff Tilton, John Meyer, Randy Tomlin, Sam Lotto, Carol Caldwell, Edmonds, Michael Rooney, Carol Fano, Carey, Earle, Fabian Bourgeois, and myself Stephen Friedman, and if any other board members should arrive, we may admit them, if they so desire. Jeff Tilton seconded. All in favor; none opposed; none abstained.
