**Lamoille FiberNet
Communications Union District**

ADDENDUM NO. 001

Request for Proposals for:

Fiber broadband network design engineering, project management, and construction management

Lamoille FiberNet seeks to retain a vendor to provide fiber broadband network design engineering, project management, and construction management.

Prospective Proposers and all concerned are hereby notified of the following changes in the Request for Proposals document for the above-listed RFP. These changes shall be incorporated in and shall become an integral part of the RFP documents.

- 1. The deadline for submission of proposals has been extended to 5:00pm June 1st 2022.**
- 2. Vendor Selection will be completed by June 9th 2022.**
- 3. Contract Negotiations will be completed by June 20th 2022.**
- 4. Respondents are encouraged to specify additional services, resources or experience they can provide that might be of benefit to Lamoille FiberNet, i.e. providing network operations and maintenance or providing enterprise level ISP services.**
